Dear Members

The Way Forward!!

We are looking at the possibility of future Missing Links being placed on the sausage website for viewing or emailed to members as PDFs. With this in mind we are asking members to complete the attached form to update our records (alternatively the form can be completed online, at www.britishsausageweek.com/britishsausageappreciationsociety.asp)

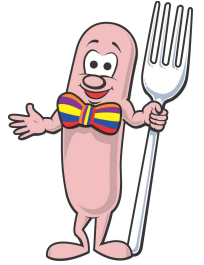

These forms will be kept on file with your original signed applications for our records (personal details will only be used in order to provide BSAS materials). Your details will not be passed to any third party.

We will also be taking this opportunity to update our membership list, therefore we would appreciate completed forms by Thursday 30 November 2007. If we do not hear from you we will assume that you no longer wish to be a member of the British Sausage Appreciation Society and delete your details from our database.

Kind regards.
